

Newland MT93

Powerful Android
Computer

The MT93 Megattera Pro is a rugged Android 13 mobile computer with powerful performance and a slim, user-friendly design. Its angled megapixel scan engine delivers fast, accurate scanning with comfort during long shifts, while the IP67 rating ensures durability against drops, dust, and water.

Ideal for 1D and 2D barcode scanning in retail, warehousing, logistics, and hospitality, the MT93 offers WiFi 6E, 4G, and Bluetooth 5.2 for reliable connectivity. Paired with Instacom services like Access control and checklists, it boosts efficiency and productivity while saving time and costs.
